Drawings

General

- Any drawing containing the note "3" Min. (R-15 Min.) Spray Applied Polyfoam Insulation" shall be intended to mean 3" thickness of Spray Applied Polyfoam with a minimum R-value of 15. Higher R-values than R-15 are acceptable if necessary to reach 3" of thickness.

E-101

- Provide and install generator remote annunciator in day room (location for bidding purposes only). Coordinate final location for generator remote annunciator with Owner prior to rough-in.
- Panel Schedule "H", add the following:
 - Circuit 21: Generator Battery Charger
 - Circuit 23: Generator Block Heater
- As a clarification, Electrical Keynote E4 Electric Chain Hoist contains an outdated model number. Match the requirements of the original model number. Must be compatible with Electrical Keynote E5.
- As a clarification, Electrical Keynote E5 Manual Trolley for Hoist contains an outdated model number. Match the requirements of the original model number. Must be compatible with Electrical Keynote E4.
- As a clarification, Electrical Keynote E7 Cord Reel contains an outdated model number. Match the requirements of the original model number or use the following acceptable product:
 - "Hubbell", Industrial Duty Cord Reel, Model No. GCA12325-DR.

E-201

- Request for Substitution:
 - ELS: Engineered Lighting Sales – The general intent of the lighting substitution request submittal dated February 23, 2018 is acceptable. This general review has checked for aesthetic appearance and initial apparent quality. Acceptance of the general intent does not relinquish supplier from meeting the requirements of the basis of specification light fixtures as scheduled (lumen output, finish, etc.). Review during shop drawing

phase will be more thorough and extensive and may require modification of the fixtures that have not yet been noted. Deviation from basis of specification is not grounds for increase in price.

E-302

- Replace entire drawing sheet with the new E-302 with the revision date 02/27/2018.

Prepared by,

Matthew D. Gullo, RLA

Director of Landscape Architecture and Planning

End of Addendum No. 3

Notice

The Architect/Engineer does not define the scope of individual trades, subcontractors, material suppliers, or vendors. Any sheet numbering system used which identifies disciplines is solely for the Architect/Engineer's convenience, and is not intended to define a subcontractor's scope of work. Information regarding individual trades, subcontractors, material suppliers, and vendors may be detailed, described and indicated at different locations throughout these documents. No consideration will be given to requests for change orders for failure to obtain and review the complete set of drawings and specifications when preparing bids, prices, and quotations.
